PROFILE

Creative **frontend and Flutter developer** with a passion for building seamless, user-focused applications. Known for effective collaboration, clean design implementation, and the delivery of impactful digital experiences. Driven by a desire to turn ideas into functional, intuitive products.

EDUCATION

Bachelor of Engineering (Computer Science & Engineering)

Rungta College of Engineering & Technology, Bhilai (CG)

2022 - 2026

Shakuntala Vidyalaya Bhilai (CG)

10th (88%) & 12th (93%)

2019 - 2021

SKILLS

Languages: Java, JavaScript, Dart, Python

Frameworks & Tools: Flutter, React.js, HTML, CSS, Git, GitHub, Google Cloud Platform

Soft Skills: Problem-solving, Communication, Team management, Music (Drummer)

EXPERIENCE

Package App Development Associate (Intern)

May 2025 - July 2025

Accenture

Bengaluru

- Worked on key SAP modules (SD, MM, FICO, Basis), enhancing business process understanding and improving workflow simulation accuracy by 25%.
- Configured and tested SAP systems, contributing to a 30% improvement in data consistency across module transactions.

PROJECTS

Food Munch ([GitHub](#))

- Built a full-stack restaurant web app using HTML, CSS, JavaScript, PHP, and MySQL, featuring food ordering, real-time seat booking, and a 50% pre-payment system to reduce wait times by 35%.
- Designed a clean, responsive UI for seamless menu browsing and reservations across devices, enhancing overall user experience and service efficiency.

Custom Search Engine App ([GitHub](#))

- Developed a cross-platform Google-style search engine app using Flutter (Dart) and URL Launcher, enabling real-time web searches with 30% faster query response time.
- Designed a minimal, responsive UI with smooth navigation and efficient query handling for an intuitive experience across Android and web platforms.

CERTIFICATIONS

- **Overview of Financials in SAP S/4HANA** (May 2025) [Link](#)

ACHIEVEMENTS & HOBBIES

- Solved 550+ DSA questions across multiple coding platforms.
- Secured 1st position in the College Fest (VYOM) Band Competition.
- Achieved 3rd position in the BIT AYAM Band Competition.
